TOGETHER we can
"GO FARTHER, FASTER"

What is NF?

Neurofibromatosis is a genetic disorder that causes tumors to form on the nerves anywhere in the body, at any time. It affects 1 in 2,500 people including both sexes and all races equally. Some of its affects are chronic pain, seizures, vision and hearing loss, learning disabilities, facial and bone deformities and cancer. There is no known treatment to stop the growth of these tumors and there is no cure.

NF Network Mission

The Mission of the NF Network is to find treatments and a cure for neurofibromatosis by promoting scientific research, improving clinical care, providing outreach through education and awareness, while offering hope and support to those affected by NF.

How you can Help

Running for the NF Network and joining your own network of friends, family, associates, and local community with ours, will add fuel to our efforts and allow us to, **“Go Farther, Faster”** in our efforts to eradicate the pain, fear and isolation that a diagnosis of NF inflicts and to find a cure!

Get Started in 2 Easy Steps!

1. **Choose an event and register through their official race website.**
2. **Visit <http://www.nfnetwork.org/nf-happenings/run-for-nf> and inform us of your interest to raise funds for the Network by registering and creating an online fundraising page with FirstGiving and sharing it through social media and email, or by filling out the paper registration attached and mailing it in.**

Create NF Awareness

Because most people have never heard of NF, another important part that you can play at a community event is to raise NF Awareness by wearing an NF running shirt and having an NF “Cheer Section.” Run4NF t-shirts are available for \$15 and racing singlets are available for \$35. Shirts can also be earned by runners or cheerleaders by creating a FirstGiving fundraising page and raising \$100 for t-shirts and \$250 for singlets. ***Also, please, take pictures and email them to us. We’d love to share your accomplishments with our NF Network members so that you can inspire them too!***
